Greetings from the Chair

As the end of another year quickly approaches, I realize the many changes PACE has faced this year. We had our first official joint meeting with PICE in September. The meeting went well. I believe joining with PICE will prove to be a great decision. We have updated and made several changes to our bylaws this year. The final copy should be sent to members for vote in late December.

I would like to welcome the newest member of our Executive Board, Carlla Rose of Apex Business Systems. Carlla is also active on the Education Committee and we appreciate her hard work and dedication to the group. Welcome aboard, Carlla.

I also want to say welcome back to Michael Meyers. He will be replacing Rob, best wishes to Rob. We have all worked with Michael in the past and we know he will do a great job. I don't want to leave Rosanne out, thank you Rosanne for everything you do for us.

Our Marketing Committee has several new and exciting strategies to boost membership which will be introduced in the new year. Please take a moment to get involved. If we all work together, this group can be better and stronger than ever before.

Anyone interested in being active on the Executive Board, remember elections will be in October. And we will have the position of 2nd vice chair open.

Hope to see you all in Phoenix. (It's warm there in March)

Lynn Watkins
PACE Chair
